

Dear League of Women Voters...

Very much appreciated the "smart voter" features that took me directly to candidates and issues for MY district. What a fantastic time-saver!

The best thing to come along since chocolate cake (almost).

WOW! Thank you VERY much! An OUTSTANDING service from one of the great organizations left.

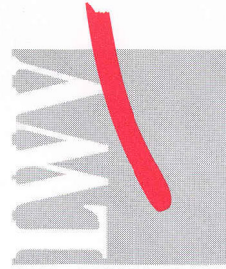

... Now we can give (the public) the information they need and get them on their way to the polls...it has been a "godsend" today.

...the best election resource since the invention of the newspaper.

Particularly helpful for judicial decisions.

Thanks for making my first-time vote in CA so much easier.
